

# The Book Whisperer Coaching

## EDITING & 1:1 COACHING SERVICES

I have 20 years of experience working with students in individualized study in university settings. I have directed such programs, and I have mentored hundreds of students in varied areas of study. I have helped people finish books, essays, papers, Bachelor's degrees. **I know that mentorship is about a relationship and that learning involves the whole person.**

"Janet Pocerobba is a manuscript microscope - she reads effortlessly with clarity and discovers the concealed relationship between characters/setting/plot with revelation and compassion.."

--Annie P., finishing a novel
